

# Plan your trips and outings with OperationExit.com

OperationExit.com

## Opinion

Your opinion is important:

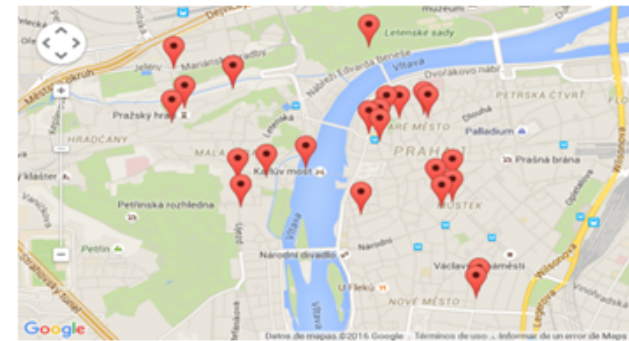

- ✓ If you've been somewhere please score and share your experience writing comments.
- ✓ Filter the opinions of people of your country.

## Planning

Prepare step by step your next trip:

- ✓ Display on a map the places to visit.
- ✓ Generate pdfs of your itinerary and planned maps.
- ✓ Copy trips done by other travelers and customize them.

## Transport

Discover transportations options :

- ✓ See how to get to places.
- ✓ Learn to move around your destination creating routes.
- ✓ Calculate distances.

Our goal is to be a best-in-class meeting point for all, leisure travelers as well as leisure businesses, hotels and transportation.
